## MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

**NOVEMBER 1, 2016** 

The County is currently working with the Crescenta Valley Town Council, Crescenta Valley Chamber of Commerce and local residents and business owners to beautify Foothill Boulevard in La Crescenta by constructing raised, landscaped medians between Pennsylvania Avenue and Briggs Road. The landscaping will consist of drought-tolerant plants and trees and provide amenities for stormwater management. The medians will also increase the walkability of Foothill Boulevard by providing a traffic calming benefit.

I, THEREFORE, MOVE that the Board of Supervisors approve an appropriation adjustment to transfer \$500,000 in Fifth Supervisorial District community program funds from the Provisional Financing Uses budget unit to the Public Works- General Fund budget unit with corresponding adjustments in the Road Fund for the Foothill Medians Project.
